

Hello,
My name is Emerald
and I make videos

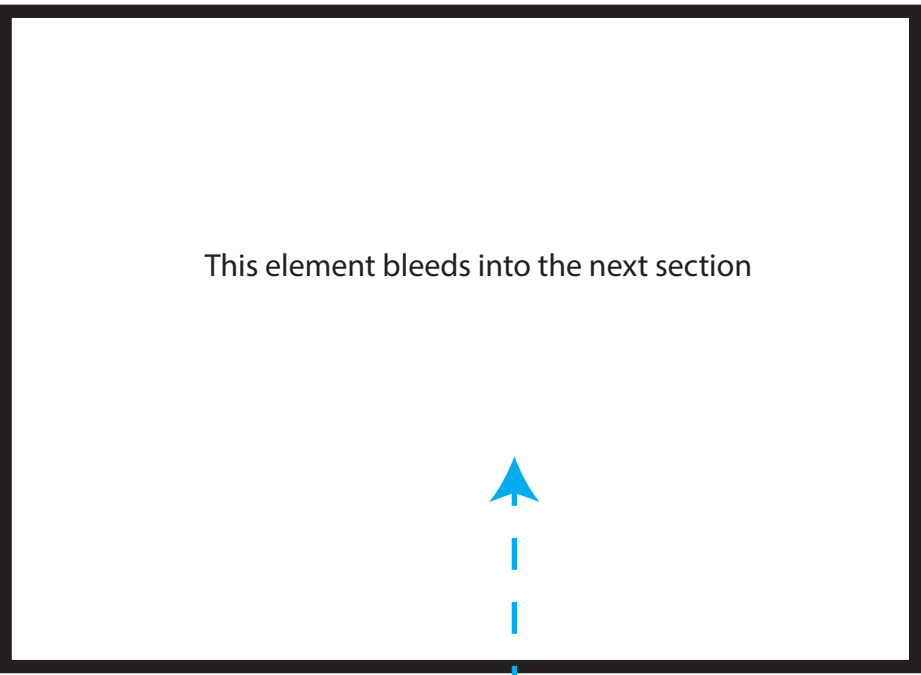

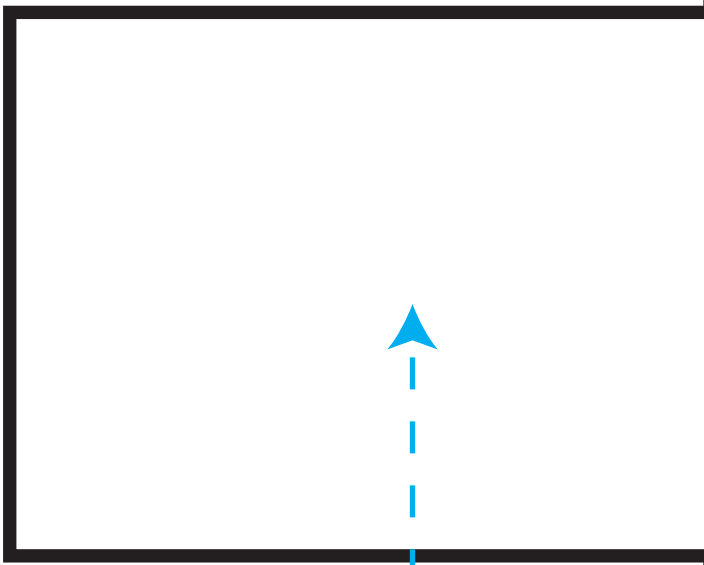

Looping Video

- 1. First line 'Hello' animates on. Then rest of sentence.
- 2. Transition to resting state of looped video. Nav and logo animate on. Giant hello text disappears. Should only see looping video.

- 1. Parallax on scroll action the different frames slide up until they are in this resting position.
- 2. Title 'Seeing is believing' animates on.
- 3. Hovering over each frame plays a gif of that project. Clicking on frame takes you to that project specific page.
- 4. If you hover over title, changes color and redirects to 'Projects' main page.

Seeing is believing

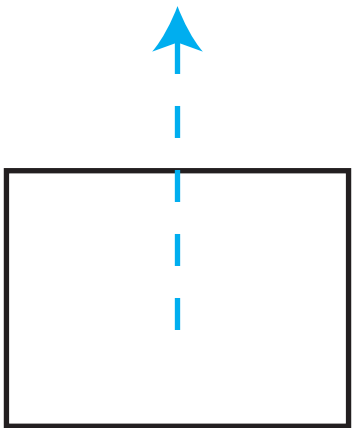

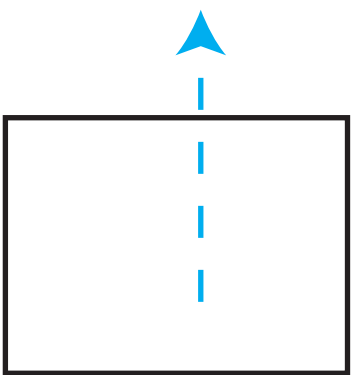

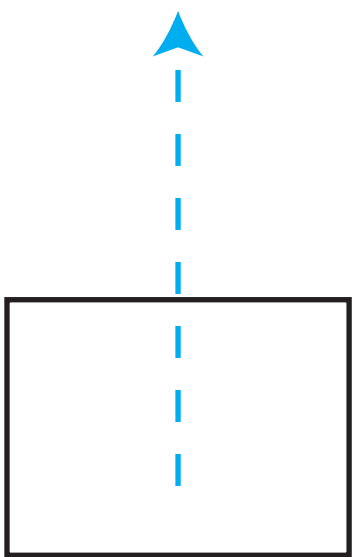

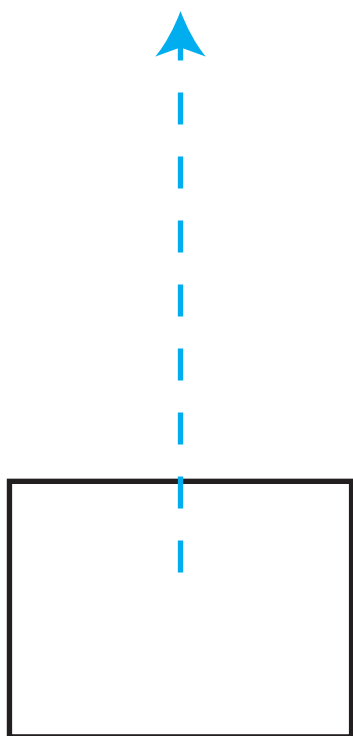

Our Partners

- 1. Scrolling down past the work galery, 'Our Partners' scales up from the scroll action.

1.

Our Partners

- 1. As you keep scrolling, 'Our Partners' moves up the page and 4 logos animate on.
- 2. Hovering over each logo turns plays a bounce animation
- 3. As you keep scrolling, the logos start to move up the page. Starting from left to right.
